OWN...

BOUNCY CUSTARD

- Borax powder
- PVA glue
- Custard powder
- 2 disposable cups

WHAT YOU'LL NEED

HOW YOU MAKE IT

Dissolve half a tablespoon of borax in 2 tablespoons of water in a cup

In another cup, mix 1 tablespoon of PVA glue and 2 teaspoons of custard powder

Add 1 tablespoon of borax solution to the glue and custard powder mix and stir until soft

Knead until elastic

Roll into a ball and then bounce it!

TOP TIP!

Keep your ball in a sealed plastic bag to stop it drying out!

WARNING!
DON'T LEAVE YOUR BALL LYING
AROUND ON CARPET OR FURNITURE!
